

Dear Parents and Campers,

We are pleased to announce that Specialty Tennis Camp will be offered for the 21st summer. This Acamp within a camp@ will feature approximately 8 hours of tennis instruction. Brett Shavitz will be back with us for his second summer. Brett began playing tennis at 9 years old under the instruction of Fred Perrin (our former tennis camp instructor). He played in college where he was the #1 singles player and a finalist at this seed for 3 years in a row. Brett is currently the head women's tennis team coach at Holy Family University in PA which is an NCAA Division II school. He has been head coach there for 3 years and was named the CACC Coach of the Year in 2007-2008. We are excited to have him join us again this summer and know he will run another great program.

There will be a charge of \$65 for the program. The deadline for registration is May 31st.

This program is for those campers who want a real tennis Aworkout@ of approximately 1 hour a day for an 8 day tennis Acamp@ . Naturally, to schedule this, campers may miss a hobby elective period, recreational swim, and/or rest hour. PLEASE remember that our normal tennis instruction will continue for those campers not enrolled in this program. Campers will still be able to select tennis each day for a 50 minute lesson by our regular tennis staff. **Therefore, only sign up for the Tennis ACamp@ if you are a tennis enthusiast and want to dedicate even more of your day to tennis.** Please make sure to discuss this with your child.

Please call us should you have any questions involving this program. PLEASE remember that the deadline for registration is May 31st.

-----CUT OUT AND RETURN-----

I would like to enroll in the Camp Nock-A-Mixon Tennis Camp. I have enclosed my check for \$65 per camper for registration.
