your premier baggage carrier from home to camp and back

CAMP SEASON--2019

Dear Camp Nock-A-Mixon Families:

This summer, as arranged with Mark and Bernice Glaser, we will be providing camp trunk delivery service from your home to CAMP NOCK-A-MIXON. Our company has been serving camps in the eastern part of the country for over 40 years. We hope to enhance your camp experience this summer by providing you with the highest quality baggage service possible.

We arrange to pick up your luggage at your home for delivery to camp in June and then, we arrange to deliver the baggage back to your home in August. Unlike other shipping carriers, there are no size or weight restrictions, nor do you have to be home to sign for any baggage being picked up or dropped off. However, in an effort to prevent injury to our drivers and your child's camp counselors, please ensure the duffels are below 80 lbs each.

The prices for Round-Trip and One-Way service are based on 1 OR 2 pieces of luggage per individual camper as listed below. Please see the back of this letter and/or our web site for prices and information regarding sports equipment, super-sized soft trunks, and other items that you wish to ship.

SPORTS EQUIPMENT and other items

Camp Trucking, as your camp baggage carrier, can also transport your child's sports equipment. The prices are listed below. Please make sure the items are packed in appropriate containers and not strapped or tied on to your luggage. This will ensure that they make it safely to and from camp.

We **strongly** urge that hockey sticks/lacrosse sticks be packed in boxes. If your sticks are boxed you can use one price to ship multiple sticks in the same package. This will also ensure a more timely delivery and there is less chance of damage. In addition, our luggage tags stay attached to boxes better than they do to sticks alone. Please label each stick and box in large print with child's name and camp name.

Please note which piece(s) you are shipping on the application and include the appropriate additional payment. By having Camp Trucking transport your sports equipment, you agree to the following:

Camp Trucking's limits of liability on sports equipment is for a maximum value of \$50.00. The insurance/valuation coverage on the form is for *clothing baggage only*. If you need additional coverage on your sports equipment, please contact your insurance agent.

Please **use caution** when packing tennis racquets or other fragile items in your luggage. The bags are stacked inside of a truck and the weight of the bags could cause fragile items to break. **We will not be responsible for breakage or damage to items packed inside your luggage.** *This includes electronic items like radios, CD players, and video games. These items should be taken on the bus or plane.*
