CAMP SEASON--2023

Dear Camp Nock-A-Mixon Families:

This summer, as arranged with Camp Nock-A-Mixon, we will be providing camp trunk delivery service from your home to camp. Our company has been serving camps in the eastern part of the country for over 45 years. We hope to enhance your camp experience this summer by providing you with the highest quality baggage service possible.

We arrange to pick up your luggage at your home for delivery to camp in June and then, we arrange to deliver the baggage back to your home in August. You do not have to be home to sign for any luggage being picked up or dropped off. While we have no size or weight prohibitions, luggage that is overweight will incur surcharges*.

The prices for Round-Trip and One-Way service are based on 1 OR 2 pieces of luggage per individual camper as listed below. Please see the back of this letter and/or our web site for prices and information regarding sports equipment, overweight soft trunks, and other items that you wish to ship.

SPORTS EQUIPMENT and other items

Camp Trucking, as your camp baggage carrier, can also transport your child's sports equipment. The prices are listed below. Please make sure the items are packed in appropriate containers and not strapped or tied on to your luggage. This will ensure that they make it safely to and from camp.

We **strongly** urge that hockey sticks/lacrosse sticks be packed in boxes. If your sticks are boxed you can use **one** price to ship multiple sticks in the same package. This will also ensure a more timely delivery and there is less chance of damage. In addition, our luggage tags stay attached to boxes better than they do to sticks alone. Please label each stick and box in large print with child's name and camp name.

By having Camp Trucking transport your sports equipment, you agree to the following:

Camp Trucking's limits of liability on sports equipment is for a maximum value of \$50.00. The insurance/valuation coverage on the form is for *clothing baggage only*. If you need additional coverage on your sports equipment, please contact your insurance agent.

Please **use caution** when packing tennis racquets or other fragile items in your luggage. The bags are stacked inside of a truck and the weight of the bags could cause fragile items to break. **We will not be responsible for breakage or damage to items packed inside your luggage.** *This includes electronic items like radios, CD players, and video games. These items should be taken on the bus or plane.*

Luggage weighed and recorded at the time of pickup, by Camp Trucking's staff, that has not been paid for, will be invoiced the regular surcharge of \$100. In the rare instance, we are unable to service your pick-up or drop-off address with our own staff, we may contract with FedEx or UPS to ensure that your child's luggage is able to get to camp.
